

Testimonies & Comments:

"Becky, I wanted to let you know how much you blessed us and aided our "Christ for Maumelle (AR) Crusade." The weekend went just as we had hoped it would because you were sensitive to our needs. Your music blessed us tremendously and **the praise and worship really set the mood**. It is my hope that the Lord will continue to open doors for your ministry, and that your music will touch hundreds of thousand's across the world. **Please keep doing what you do... we need more realness in music**. Again, thanks for what you did for us, and if any pastor or group needs a reference... let them know they can call us anytime." *Dr. Jeffrey D. Beshears, Pastor, First Baptist Church Maumelle, AR [Now Pastor of a new church plant, The Church at Maumelle, AR; Little Rock area]*

I have been privileged to be a part of Becky's life for sixteen years. Her openness to the Holy Spirit's leading is truly amazing. I have known Becky to completely change what she thought she wanted to share as a speaker on the way to a program because of what God laid on her heart. Her insight and her intuitive messages always touch hearts and contain exactly what people in her audience need to hear. **As a worship leader, Becky is second to none**. God has given her a unique perspective and ability to reach worshipers of all ages and cultures.

Becky Wright is a "most requested" artist on KING Country Radio Station... God uses her ministry in mighty ways, including leading a man to Christ at the 2008 Agape Fest, who told us, **"When I heard Becky Wright sing, I knew that God was real."** I have been in services with Becky... **The anointing of God falls as a blanket over the hearers as the Holy Spirit ministers through her in worship.**

It is a privilege to recommend Becky Wright, not only as a soloist but as a **praise and worship leader**. Becky sang and led the worship for our annual fall retreat in 2008. All in attendance were truly blessed as Becky led us into the presence of the Lord... It was obvious that she has a love for the Lord and a deep desire to serve Him through music. Her passion for Christ is obvious... As she worships Him she has a God given ability to lead others to join in that passion. **Zana Smith, President, As One Women's Ministry, Inc., Tahlequah, OK**

I have known Becky Wright for over 15 years. She served in many capacities while her husband, Henry (Bro. Hank), was Pastor at Proctor Baptist Church. Becky, under God's direction, led our choir in some of the most memorable Easter Sunrise, Christmas programs, Vacation Bible School music, and regular worship services for six years. She is a true woman of God who knows the power of prayer, and of authentic worship.

Deloris Patterson, First Baptist, Proctor, OK

"Becky Wright is a mighty Woman of God who has a great passion for the hearts and lives of every woman and child she meets. She has had an abundance of lifetime experiences that have put her faith to the test. We have witnessed her love, compassion and desire to be an example and encouragement to those around her." *Michelle Brandt (Evangelist & Women's Motivational Speaker)*

I have known Becky for over 15 years. She is a very Godly woman, and has lead worship at our church and at several of our ladies' retreats. She is not a "performer" when she sings, but instead exudes **worship** which spreads to all who are present. I highly recommend Becky for any position, whether in ministering to women or children.

When Becky led the worship for the women's retreat I attended, not only did she find the right music for the retreat theme, but she was able to tap into and help establish the mood for the whole weekend. It was truly a blessing to experience her gifts and to have been so uplifted by her music. *Melanie Buchleiter*

Dear Becky, Thank you so much for speaking and leading worship at our women's meeting... Your testimony touched a lot of hearts, and the Word you brought from Jeremiah was a "right on time" message for us. He is using you in a mighty way and it was a sweet spirit that we experienced that night. You are such a blessing! I know many lives will be changed forever through your ministry.... Oh, by the way, your CD's are great! What a beautiful voice you have; you have been gifted with amazing talent.
