To Whom It May Concern,

Becky Wright is an active, faithful member of First Baptist Church, Tahlequah. God has blessed her musically with wonderful talent. She uses her music to glorify God and to bring people to Jesus Christ. I have no doubt that God has called her into music evangelism. She has an evangelistic heart and her desire is to see people saved.

I highly recommend Becky Wright as a music evangelist for the State of Oklahoma. If you have any questions, please feel free to give me a call.

In Christ,

Bro. Buddy
