## *Becky Wright needs your help!!*

**SPONSORS are needed *immediately* to fund the “Heart of Adoption” CD Recording Project and *help find adoptive homes for waiting kids.***

### Mission of Project:

On behalf of thousands of children in the USA who are awaiting adoption, and on behalf of the various adoption and foster parenting organizations for whom I perform (pro bono) around the USA, including the **State of Oklahoma (Adoption Services/DHS)**, the **State of Arkansas (Adoption Coalition)**, **Tarrant County, Texas (National Adoption Day)**, **ATTACH.org** (nationwide), **Dave Thomas Foundation for Adoption**, **ChosenInternational.org**, and others: **I, Becky Wright**, mother of eight (biological children, step-children, and guardianship/adoption), music teacher, singer/songwriter and recording artist (Nashville, North Carolina, Oklahoma), am recording an **album of all adoption songs**. This album, entitled **“The Heart of Adoption”**, will feature CHILDREN singing on many songs, and will be used to raise funds to help waiting children find their **“forever family”**. The **“Heart Gallery”** (available in most states), for example, has a **900% success rate of finding adoptive homes for the featured children**, versus children who’s photos are only a “mug shot” on the government websites. (Statistic generated by the State of Arkansas, Adoption Coalition). ***Music holds a powerful element of “inspiring action and involvement”, and this CD project has the potential to benefit millions of children and families.***

“I am an adoptive mother, and my child came from a situation that will be hard to explain later... [he] was adopted through foster care. Becky’s music provides me with ways to explain to my child that he was *loved* by his biological parents, even though the situation was not a positive one. Many children adopted through foster care feel *abandoned* because their birth parents chose a bad habit, or situation, over *them*. However, with Becky’s help, *all* adopted children can know that they were *always* loved...”

***Dawn Reed, President, Northwest Arkansas Adoption Coalition, Inc., and adoptive mother.***

**Dr. Howard Hendrick, OKDHS Director, with John Hewett (& daughter, Hannah), Recipient of Adoption Cooperative Spirit Award (Nov. 2007).** *The Hewett family was the initial inspiration for Becky writing “Child of My Heart”*

**How can you help? (Please continue)**

Many of these CD's will be **DONATED** to various adoption and foster parenting organizations, as well as crisis pregnancy centers throughout the USA. These agencies may sell *or* give away the CD's as they desire, to raise funds for their work, or to help their clientele and the families they serve. The remaining CD's will be offered for a **donation** (or **free** for anyone who can't afford them) at Becky's concerts around the country. **"The Heart of Adoption"** will be produced by renowned **Nashville producer, Robert Jason**, whose songs have been recorded by **Reba McIntire, Barry White**, and who's produced commercials for **Disney** and **Coca-Cola**. Widespread **radio airplay** (released to 3,000 stations) and live performances will serve to raise public awareness concerning adoption and foster parenting, recruit more families for each, and boost morale among the children & families (before and after adoption), and all who work to provide permanent, loving homes for every child in America... *which is the goal.*

**Every child deserves a family who loves them.**

<b>The Power of Music brings testimonies, and tears of healing.</b>		
	<p>After Becky performed "Child of My Heart" at an arts festival in Maine, testimonies and tears flowed from the listeners. Two women shared about having placed their babies for adoption. "Gael", a young teenage girl, tearfully said how much "Child of My Heart" meant to her, being adopted at 3 weeks old, and how <i>uplifting</i> it would be to her mother.</p>

# “Musical Notes” from the “Heart of Adoption” Songs

*Confirmed Artist/Musicians on project:* Becky Wright, [Greg McDougal](#), [Robert Jason](#), Caroline Mohr (daughter of Keith Mohr, founder of [Indie Heaven](#)) others to be named.

One day you might ask me, “What was my first mommy like? Do you think my parents loved me? Do I have my daddy’s eyes?” But all the reasons and explanations may not satisfy, but I’ll hold you close and pray you feel all this love I have inside.

**Child of my heart, child of my love; specially chosen, no accident, and sent from God above... you may not be the child of my blood, but you’re the child of my heart.**

*(Excerpt from “Child of My Heart”, Duo of the Year Winner, 2006; Theme song for OKDHS “Waiting Hearts” Gallery)*

I’ve been called just a number, a faceless child with no name; I’ve been called the forgotten child; a heart break, a pity, a shame. But I still dream that I’ll find a loving family; And my heart screams who I want to be.

**Call me loved; Call me chosen and cherished. An answer to prayer, a breath of fresh air, and just the one you need. Call me loved, call me wanted and treasured; Call me precious, call me yours.... Call me loved.**

*(HEAR & Download the song “Call Me Loved” here: [www.beckywrightsongs.com](http://www.beckywrightsongs.com))*

**... Not so far away**, a husband and wife still prayed for a... child to complete their family... I want you to know, though I had to let you go That **you’ll always be woven into my heart...** ...It was the hardest thing I’ll ever have to face; I gave my heart, I gave my soul But surely God was in control **On the day that I gave you away.**

*(Excerpt from “I Gave You Away”)*

The Hewett children... the inspiration for the writing of “Child of My Heart”

**Thank you for giving me a chance;**  
For giving me hope,  
For giving me this dance  
**To find a family**  
**Who’s crazy ‘bout me**  
**Thank you for giving me a chance.**

*(Excerpt from “Thank You for Giving Me a Chance”)*

**The heart of adoption is love;**  
**The part of the option that never gives up**  
**Facing the obstacles,**  
**For nothing’s impossible**  
**Empowered by heaven above;**  
**No child forgotten...**  
**The heart of adoption is love.**
